THANK YOU MAHER PLUMBING

Special thanks and gratitude to Maher Plumbing and the crew working to install a new boiler system at the museum. They had been with us for several weeks until just recently when the new boiler was up and functioning the first day of cold temperatures. Thanks also to John Cobler and Tom Leinhauser for their daily diligence during this time.

Please remember the museum as you consider your 2016 gift giving. All donations, large and small, are vitally important to sustaining the museum proper. Maintenance and daily utilities are ongoing. A heartfelt thanks to all our past donors.
